EYEXchange Banff

FEBRUARY 3, 2024

Banff Centre for Arts and Creativity
107 Tunnel Mountain Dr, Banff, AB, T1L 1H5, Canada

REGISTRATION CLOSES JANUARY 24, 2024

Continuing Education for Allied Ophthalmic Personnel

7:30–8:00 a.m.

REGISTRATION AND CONTINENTAL BREAKFAST ROOM KC203

8:00–9:00 a.m.

EVERYTHING A CATARACT-REFRACTIVE TECHNICIAN NEEDS TO KNOW ABOUT RETINA (1 IJCAHPO CE Credit)

Michael Stewart, MD

This course will cover the aspects of retinal diseases that are important for a technician in a cataract/refractive practice. Topics such as macular puckers/holes, cystoid macular degeneration, age-related macular degeneration, retinal detachments, and endophthalmitis will be discussed.

9:00–10:00 a.m.

RETINA IMAGING FOR THE ANTERIOR SEGMENT PRACTICE (1 IJCAHPO CE Credit)

Michael Stewart, MD

This course will discuss retinal imaging modalities that are important for the anterior segment practice. Fundus photography, optical coherence tomography, fundus autofluorescence, and ultrawide-field imaging provide valuable information for the anterior segment practice. Numerous examples of diseases with images will be given.

10:00–10:15 a.m.

BREAK

10:15–11:15 a.m.

COMBINED ARMS: MODERN APPROACHES TO OPHTHALMIC TRAUMA (1 IJCAHPO CE Credit)

Michael T. Kryshchalskyj, MD

This course will review the comprehensive workup of ophthalmic and oculofacial injuries. Modern techniques, literature, and paradigms will be presented.

11:15 a.m.–12:15 p.m.

OCULOFACIAL PLASTIC SURGERY—A VIDEO SERIES (1 IJCAHPO CE Credit)

Carson Schell, MD, Dipl. ABO

In this 60-minute lecture, we will discuss common procedures in oculofacial plastic surgery, including upper and lower blepharoplasty, ptosis, ectropion, entropion, and dacryocystorhinostomy. Attendees will have an opportunity to see how these procedures are performed as well as become comfortable with pre and post-operative management.

12:15–1:00 p.m.

LUNCH

1:00–1:30 p.m.

ERGONOMICS IN OPHTHALMOLOGY (0.5 IJCAHPO CE Credit)

Helen Chung MD, FRCSC

Ergonomics is a fancy way of explaining how to not hurt yourself while performing your everyday tasks. This course will be highly practical and hopefully attendees can use the tips to improve their interactions with their environment to decrease the risk of pain and injury.

1:30–2:00 p.m.

OCULAR COHERENCE TOMOGRAPHY (0.5 IJCAHPO CE Credit)

Brook C Mbanje

We will be studying the basics of visual OCT. Types of scans available, how to interpret reports, and different technologies available in the market will be discussed.

2:00–3:00 p.m.

COLOR VISION TESTING (1 IJCAHPO CE Credit)

Craig Simms, BSc, COMT, CDOS, ROUB

This course will cover color vision and color vision defects before moving on to the different ways to test color vision. A review of pseudoisochromatic plates, the D-15 and the 100 Hue will be covered. A case study of a family with color vision defects will be presented. The different testing methods will be shown in an attempt to determine the type of color vision defect present.

3:00–3:30 p.m.

OPTICS FOR THE REST OF US (0.5 IJCAHPO CE Credit)

Craig Simms, BSc, COMT, CDOS, ROUB

This lecture will cover practical everyday optics from optical crosses to transposition to spherical equivalent that AOP will have a chance to use on a day-to-day basis.

3:30–4:00 p.m.

VISUAL FIELD ANALYZER CLINICAL COURSE (0.5 IJCAHPO CE Credit)

Brook C Mbanje

We will be studying the basics of visual fields including how it relates to glaucoma, tests available, how to interpret the report, and key benefits.

4:00 p.m.

ADJOURN

All times are Mountain time.

Registration Form

Registration form may be duplicated. Please use one form per registrant.

EYEXchange Banff
Saturday, February 3, 2024
8:00 A.M. – 4:00 P.M. CT

Registration and Cancellation Deadline: January 24, 2024, 12:00 p.m. CT

HANDOUTS

A link to course handouts will be emailed to registrants the Monday prior to the meeting date, as they are not provided on-site. Handouts are available for two weeks.

CANCELLATIONS/REFUNDS

All cancellations and requests for refunds must be received by IJCAHPO in writing. A processing fee of \$75 is deducted from each cancelled registration to cover a portion of the costs IJCAHPO incurs.

CONTINUING EDUCATION CREDITS

This program has been accredited for 7 IJCAHPO CE Credits. IJCAHPO Continuing education credits earned will be posted on your account at www.jcahpo.org approximately 4–6 weeks after the program for participants who complete evaluation forms.

NOTE: Attendance is monitored for each hour of instruction. Participants absent for more than 15 minutes of any given hour will not receive credit for that hour.

REGISTRATION

Registration for this program is through the EPSAA. Go to www.epsaa.ca/event/epsaa-scientific-meeting/ to register.

SPECIAL ACCOMMODATIONS/MEAL REQUESTS

IJCAHPO provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for special accommodations. Specific special accommodations should be related to functional limitations. Please include additional supporting documentation from the medical professional who diagnosed the condition. It is essential that the documentation of the disability provide a clear explanation of the current functional limitation(s) and a rationale for the requested accommodation.

If you have a disability and require special classroom accommodations, please append a statement regarding your disability-related needs. We cannot ensure the availability of appropriate accommodations without prior notification of need.

RESERVATIONS

The event is held at the Banff Centre for Arts and Creativity in Banff, Alberta. Call the Banff Centre Reservations Department at 1-800-884-7574 and quote the **Booking ID EPS2402** or book online at <https://gettaroom.b4checkin.com/banffcentre/rlp/EPS2402>.

For additional information regarding registration, contact IJCAHPO at 800-284-3937, e-mail registrations@jcahpo.org, or visit www.jcahpo.org.
